

Talent Lab

An Overview

Talent Lab was introduced in our 2019 Strategic Plan to give identity and value to all activities outside of the classroom. Talent Lab is constantly evolving to meet the needs and interests of our students.

We aim to start offering a Duke of Edinburgh programme in 2023-24

In 2023 we will have organised student trips to Vietnam, Spain and Denmark

Did you know? The name Talent Lab was created to recognise the importance of developing your talents and of experimenting, trying out new ideas.....
